Terms and Conditions of Sale

All purchases are subject to Entegris' "Terms and Conditions of Sale."

Silicon Delivery™ Systems and Services

To optimize wafer and device handling in your facilities, Entegris offers Silicon Delivery™ Systems and Services – our unique materials integrity management solution to cost-effectively manage silicon from production to consumption. Utilizing our systems and services capabilities, Entegris will work with you to develop a customized, coordinated package to address your individual requirements.

Wafer Handling Systems

- Raw wafer processing and shipping
- Wafer processing
- Finished wafer shipping and handling
- Related product handling
- Handling product cleaning systems

Device Handling Systems

- Finished wafer shipping and handling
- Bare die shipping and handling
- Packaged device shipping and handling
- Handling product cleaning systems

WaferCare™ and DeviceCare™ Services

- Certified reuse and recycle
- Product cleaning
- Logistics management
- On-site and off-site programs

Mask Packages

H68 Series

- For masks or reticles with pellicles
- Minimal contact
- Easy to open and close
- Easy removal
- Seal securely for protection
- Compact and stackable
- Roller hinge minimizes particle generation
- Optional latch security clip available
